ARTICLE I.

CREATION OF FIRST MORTGAGE BONDS, 7 $\frac{7}{8}$ % SERIES DUE 2002, AND SPECIFICATION OF CERTAIN MATTERS WITH RESPECT THERETO.

SECTION 1. The Company hereby creates the seventeenth series of bonds, not limited in principal amount, to be issued under and secured by the Mortgage, to be designated, and to be distinguished from bonds of all other series by the title "First Mortgage Bonds, 7 $\frac{7}{8}$ % Series due 2002". Each bond of the 2002 Series shall be dated the date of its authentication and shall bear interest from May 1, 1972, or from the most recent interest payment date to which interest has been paid or duly provided for with respect to bonds of the 2002 Series, except that so long as there is no existing default in the payment of interest on the bonds of the 2002 Series, any bond of the 2002 Series authenticated by the Trustee between the record date (as hereinafter defined) for any interest payment date and such interest payment date shall bear interest from such interest payment date; provided, however, that if and to the extent the Company shall default in payment of the interest due on such interest payment date, then any such bond of the 2002 Series shall bear interest from the most recent interest payment date to which interest has been paid or duly provided for with respect to bonds of the 2002 Series, or, if no interest has been paid on bonds of the 2002 Series, then from May 1,

1972. All bonds of the 2002 Series shall be payable on May 1, 2002, in such coin or currency of the United States of America as at the time of payment is legal tender for the payment of public and private debts, and shall bear interest payable in like coin or currency, at the rate of seven and seven-eighths per centum ($7\frac{7}{8}\%$) per annum, payable semi-annually on May 1 and November 1 of each year until maturity, according to the terms of the bonds or on prior redemption or by declaration or otherwise, and at the highest rate of interest borne by any of the bonds outstanding under the Mortgage from such date of maturity until they shall be paid or payment thereof shall have been duly provided for, and (to the extent that payment of such interest is enforceable under applicable law) interest on any overdue installment of interest shall be payable at the highest rate of interest borne by any of the bonds outstanding under the Mortgage. Principal of and interest on the bonds of the 2002 Series shall be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York.

The persons in whose names bonds of the 2002 Series are registered at the close of business on any record date (as hereinafter defined) with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date (except that in case of any redemption of bonds of the 2002 Series as provided for herein on a date subsequent to the record date and prior to such interest payment date interest on such redeemed bonds shall be payable only to the date fixed for redemption thereof and only against surrender of such bonds for redemption in accordance with the notice of such redemption) notwithstanding the cancellation of any bond of the 2002 Series upon any registration of transfer or exchange subsequent to the record date and prior to such interest payment date; provided, however, that if, and to the extent, the Company shall default in the payment of the interest due on any interest payment date, such defaulted interest shall be paid to the persons in whose names outstanding bonds of the 2002 Series are registered on the day immediately preceding the date of payment of such defaulted interest or, at the election of the Company, on a subsequent record date established by notice given by mail by or on behalf of the Company to the holders of bonds of the 2002 Series not less than fifteen days preceding such subsequent record date.

The term "record date" shall mean, with respect to any regular semi-annual interest payment date, the close of business on the fifteenth day of the calendar month next preceding such interest payment date (or if such fifteenth day is not a business day, the next preceding business day)

or, in the case of defaulted interest, the close of business on any subsequent record date established as provided above.

The bonds of the 2002 Series shall be issuable only as fully registered bonds in the denominations of \$1,000 and any multiple thereof. At the office or agency to be maintained by the Company in said Borough of Manhattan and in the manner and subject to the limitations provided in the Mortgage, bonds of such series may be exchanged for a like aggregate principal amount of bonds of such series of other authorized denominations without charge except for any tax or taxes or other governmental charges incident to such exchange.

All bonds of the 2002 Series shall be redeemable at the option of the Company, on any date prior to maturity, as a whole, or from time to time in part, after notice mailed to each registered holder of such bonds directed to his registered address not less than thirty days and not more than ninety days before the redemption date, at the redemption prices (expressed in percentages of the principal amount) set forth in the following table under "Regular Redemption Prices"; provided, however, that prior to May 1, 1977, none of the bonds of the 2002 Series may be so redeemed at the option of the Company if the moneys for such redemption are obtained by the Company directly or indirectly from or in anticipation of borrowings by or for the account of the Company at an interest cost (calculated after adjustment, in accordance with generally accepted financial practice, for any premium received or discount granted) of 7.75% per annum or less, except that this proviso shall not be applicable to redemptions of bonds of the 2002 Series in connection with any merger or consolidation to which the Company may be a party if the ratio of (i) the principal amount of the bonds of the 2002 Series redeemed in connection with any such merger or consolidation to (ii) the total principal amount of the bonds of all series so redeemed does not exceed the ratio of (i) the aggregate principal amount of the bonds of the 2002 Series outstanding at the time to (ii) the aggregate principal amount of bonds of all series outstanding at that time; and the bonds of the 2002 Series shall also be redeemable on any date prior to maturity, in the cases hereinafter specified, on like notice of such redemption, at the lower scale of redemption prices (expressed in percentages of the principal amount) set forth in the fol-

lowing table under "Lower Scale Redemption Prices"; together, in each case, with accrued interest to the date of redemption:

Redemption as a whole at said lower scale of redemption prices may be effected, as more fully provided in Section 8.08 of the Original Indenture, in the event (a) that all the outstanding common stock of the Company shall be acquired by some governmental body or instrumentality and the Company elects to redeem all the bonds of all series, the redemption date in any such event to be not more than one hundred twenty (120) days after the date on which all said stock is so acquired, or (b) that all or substantially all of the mortgaged property constituting bondable property which at the time shall be subject to the lien of the Mortgage as a first lien shall be released from the lien of the Mortgage pursuant to the provisions thereof, and available moneys in the hands of the Trustee, including any moneys deposited by the Company for the purpose, are sufficient to redeem all the bonds of all series at the redemption prices (together with accrued interest to the date of redemption) specified therein applicable to the redemption thereof

upon the happening of such event. Redemption as a whole, or from time to time in part, at said lower scale of redemption prices may also be effected out of cash deposited pursuant to Sections 5.07 and 5.08 of the Original Indenture, the premium, if any, and accrued interest in case of any such redemption to be provided for by the Company pursuant to the provisions of Section 8.07 of the Original Indenture; provided, however, that on any such redemption the portion of such cash applied to the redemption of bonds of the 2002 Series at the applicable lower scale redemption price shall not exceed that fraction of such cash which is equal to the ratio of (i) the aggregate principal amount of bonds of the 2002 Series outstanding at that time to (ii) the aggregate principal amount of bonds of all series outstanding at that time. Any notice of redemption of bonds of the 2002 Series out of cash deposited pursuant to Sections 5.07 and 5.08 of the Original Indenture shall state that the redemption is to be effected out of cash deposited pursuant to Section 5.07 or Section 5.08, as the case may be.

SECTION 2. Bonds of the 2002 Series for the aggregate principal amount of Twenty-six million dollars (\$26,000,000), being the initial issue of bonds of the 2002 Series, may forthwith be executed by the Company and delivered to the Trustee and shall be authenticated by the Trustee and delivered (either before or after the filing or recording hereof) to or upon the order of the designated officer or officers of the Company, upon compliance by the Company with the appropriate provisions and requirements of Article IV of the Original Indenture.

SECTION 3. So long as any of the bonds of the 2002 Series shall be secured by the lien of the Mortgage, the term "minimum provision for depreciation" when used for any purposes under the Mortgage and with reference to any period of time shall mean an amount computed pursuant to the provisions of Article I, Section 5 of the Supplemental Indenture dated March 1, 1952.

SECTION 4. So long as any of the bonds of the 2002 Series shall be secured by the lien of the Mortgage, clause (A) (II) of Section 1.06 of the Original Indenture shall be deemed amended as set forth in the quotation contained in Article I, Section 4 of the Supplemental Indenture dated May 1, 1960.

SECTION 5. So long as any of the bonds of the 2002 Series shall be secured by the lien of the Mortgage, the first sentence of Section 5.20 of the Original Indenture shall be deemed amended as set forth in the quotation contained in Article I, Section 6 of the Supplemental Indenture dated December 1, 1950.

SECTION 6. So long as any of the bonds of the 2002 Series shall be secured by the lien of the Mortgage, the Company will keep and perform the covenants set forth in Article I, Section 4 of the Supplemental Indenture dated March 1, 1952, irrespective of whether any of the bonds of the series created by such Supplemental Indenture shall be then outstanding.

SECTION 7. So long as any of the bonds of the 2002 Series shall be secured by the lien of the Mortgage, the Company will keep and perform the covenants and agreements set forth in Article I, Section 7 of the Supplemental Indenture dated June 1, 1957, irrespective of whether any of the bonds of the series created by such Supplemental Indenture shall be then outstanding.

In case less than all of the bonds of the 2002 Series at the time outstanding are called for redemption, the Company shall not be required (i) to exchange or register transfers of any bonds of the 2002 Series for a period of 10 days before the mailing of a notice of redemption of bonds of the 2002 Series, (ii) to exchange or register transfer of any bond of the 2002 Series called for redemption in its entirety or (iii) to exchange or register transfer of any portion of a bond of the 2002 Series which portion has been called for redemption.

SECTION 9. The Company covenants and agrees that, notwithstanding Section 2.03 of the Original Indenture, it will not charge any sum for or in connection with any exchange or registration of transfer of any bond of the 2002 Series, but may require the payment of a sum sufficient to cover any tax or taxes or other governmental charges incident to any exchange or registration of transfer thereof.

At the office or agency to be maintained by the Company in said Borough of Manhattan and in the manner and subject to the limitations provided in the Mortgage, bonds of such series may be exchanged for a like aggregate principal amount of bonds of such series of other authorized denominations without charge except for any tax or taxes or other governmental charges incident to such exchange.

The bonds of the 2002 Series may be redeemed, at the option of the Company, on any date prior to maturity, as a whole, or from time to time in part, after notice mailed to each registered holder of such bonds directed to his registered address not less than thirty days and not more than ninety days before the redemption date, at the redemption prices (expressed in percentages of the principal amount) set forth in the following table under "Regular Redemption Prices"; provided, however, that prior to May 1, 1977, none of the bonds of the 2002 Series may be so redeemed at the option of the Company if the moneys for such redemption are obtained by the Company directly or indirectly from or in anticipation of borrowings by or for the account of the Company at an interest cost (calculated after adjustment, in accordance with generally accepted financial practice, for any premium received or discount granted) of 7.75% per annum or less, except that this proviso shall not be applicable to redemptions of bonds of the 2002 Series in connection with any merger or consolidation to which the Company may be a party if the ratio of (i) the principal amount of the bonds of the 2002 Series redeemed in connection with any such merger or consolidation to (ii) the total principal amount of the bonds of all series so redeemed does not exceed the ratio of (i) the aggregate principal amount of the bonds of the 2002 Series outstanding at the time to (ii) the aggregate principal amount of bonds of all series outstanding at that time; and the bonds of the 2002 Series are also subject to redemption on any date prior to maturity, in the cases hereinafter specified, on mailing of like notice of such redemption, all as provided in the Mortgage, at the lower scale of redemption prices (expressed in percentages of the principal amount) set forth in the following table under "Lower Scale Redemption Prices"; together, in each case, with accrued interest to the date of redemption:

[There will be inserted here the same table of redemption prices and corresponding dates as is set forth in this Supplemental Indenture under Article I, Section 1.]

Redemption as a whole at said lower scale of redemption prices may be effected, as more fully provided in Section 8.08 of the Mortgage, in the event (a) that all the outstanding common stock of the Company shall be acquired by some governmental body or instrumentality and the Company elects to redeem all the bonds of all series, the redemption date in any such event to be not more than one hundred twenty days after the date on which

all said stock is so acquired, or (b) that all or substantially all of the mortgaged property (constituting bondable property as defined in the Mortgage) which at the time shall be subject to the lien of the Mortgage as a first lien shall be released from the lien of the Mortgage pursuant to the provisions thereof, and available moneys in the hands of Morgan Guaranty Trust Company of New York, or its successor, as Trustee, including any moneys deposited by the Company for the purpose, are sufficient to redeem all the bonds of all series at the redemption prices (together with accrued interest to the date of redemption) specified therein applicable to the redemption thereof upon the happening of such event. Redemption as a whole, or from time to time in part, at said lower scale of redemption prices may, subject to certain limitations set forth in the Mortgage, also be effected out of cash deposited pursuant to Sections 5.07 and 5.08 of the Mortgage, the premium, if any, and accrued interest in case of any such redemption to be paid out of cash deposited by the Company for the purpose.

The Mortgage provides that any notice of redemption of bonds may state that it is subject to the receipt of the redemption moneys by the Trustee before the date fixed for redemption and such notice shall be of no effect unless such moneys are received before such date.

The Mortgage provides that if the Company shall deposit with Morgan Guaranty Trust Company of New York, or its successor, as Trustee in trust for the purpose, funds sufficient to pay the principal of all of the bonds of any series, or such of the bonds of any series as have been or are to be called for redemption (including any portions, constituting \$1,000 or a multiple thereof, of fully registered bonds) and premium, if any, thereon, and all interest payable on such bonds (or portions) to the date on which they become due and payable at maturity or upon redemption or otherwise, and complies with the other provisions of the Mortgage in respect thereof, then from the date of such deposit such bonds (or portions) shall no longer be secured by the lien of the Mortgage.

The Mortgage provides that, upon any partial redemption of a fully registered bond, upon surrender thereof endorsed for transfer, new bonds of the same series and of authorized denominations in principal amount equal to the unredeemed portion of such fully registered bond will be delivered in exchange therefor.

The principal hereof may be declared or may become due prior to the express date of the maturity hereof on the conditions, in the manner and

at the time set forth in the Mortgage, upon the occurrence of a completed default as in the Mortgage provided.

This bond is transferable as prescribed in the Mortgage by the registered holder hereof in person, or by his duly authorized attorney, at the principal office of the Trustee in said Borough of Manhattan, upon surrender and cancellation of this bond, and thereupon, a new bond or bonds of authorized denominations of the same series and for the same aggregate principal amount will be issued to the transferee in exchange herefor as provided in the Mortgage. The Company and the Trustee, any paying agent and any bond registrar may deem and treat the person in whose name this bond is registered as the absolute owner hereof, whether or not this bond shall be overdue, for the purpose of receiving payment and for all other purposes and neither the Company nor the Trustee nor any paying agent nor any bond registrar shall be affected by any notice to the contrary.

No recourse shall be had for the payment of the principal of or interest on this bond, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Mortgage or under or upon any obligation, covenant or agreement contained in the Mortgage, against any incorporator, or any past, present or future subscriber to the capital stock, stockholder, officer or director, as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or any predecessor or successor corporation, under any present or future rule of law, statute or constitution or by the enforcement of any assessment or otherwise, all such liability of incorporators, subscribers, stockholders, officers and directors, as such, being waived and released by the holder and owner hereof by the acceptance of this bond and being likewise waived and released by the terms of the Mortgage.
